## Ranking

<b>Bronze</b>	<b>Activate and inject fuel 100 usdt</b>
<b>Silver</b>	<b>Have 5 direct bronze</b>
<b>Gold</b>	<b>Have 7 direct member and 5 silver</b>
<b>Platinum</b>	<b>Have 9 direct member and 5 gold</b>
<b>Diamond</b>	<b>Have 11 direct member and 5 platinum</b>
<b>Crown</b>	<b>Have 15 direct member and 5 diamond</b>

Bronze will inject 100 usdt to fuel then the fuel will deduct 20% from every profit the user make at bitwewe

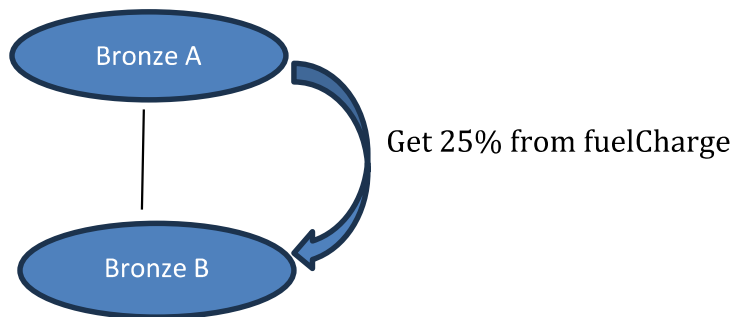

Example user make profit 100 usdt at bitwewe then fuel will deduct 20 usdt. This 20 usdt we call it **fuelcharge**

BONUS :

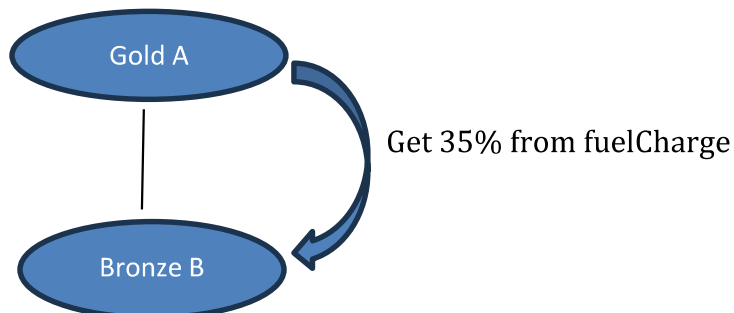

### 1. Direct Bonus

Rank	
Bronze	25% from fuelcharge
Silver	30% from fuelcharge
Gold	35% from fuelcharge
Platinum	40% from fuelcharge
Diamond	45% from fuelcharge
crown	50% from fuelcharge

## DIRECT BONUS

Example Bronze B trade and get profit 100 USDT at Bitwewe, then his fuel point will deduct 20 USDT. Bronze A will get Direct Bonus 25% from 20 USDT, that is 5 USDT.

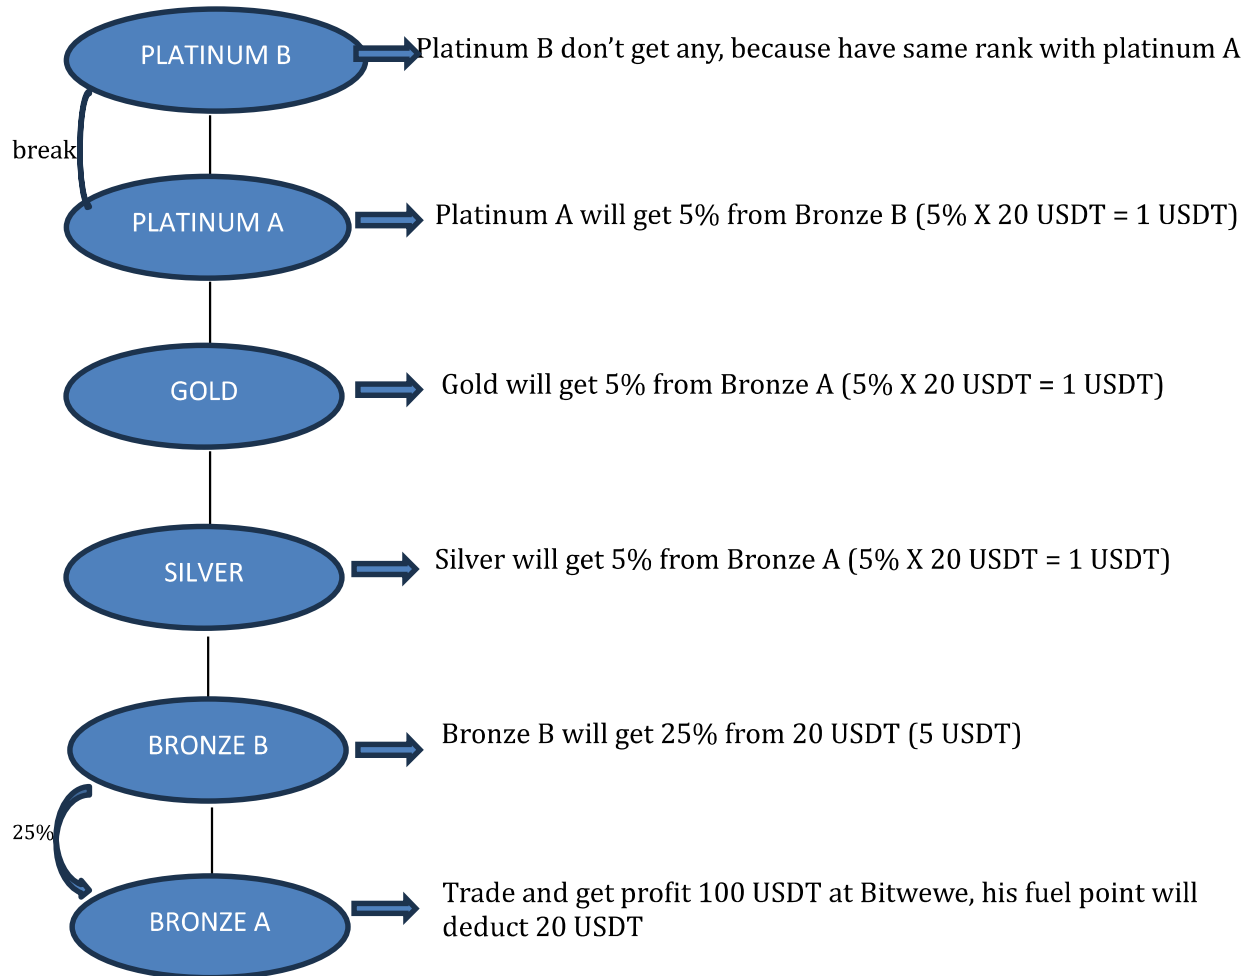

Example Bronze B trade and get profit 100 USDT at Bitwewe, then his fuel point will deduct 20 USDT. Gold A will get Direct Bonus 35% from 20 USDT, that is 7 USDT.

## 2. Pass Up Bonus

Gap between rank will go to the higher rank

### PASS UP BONUS

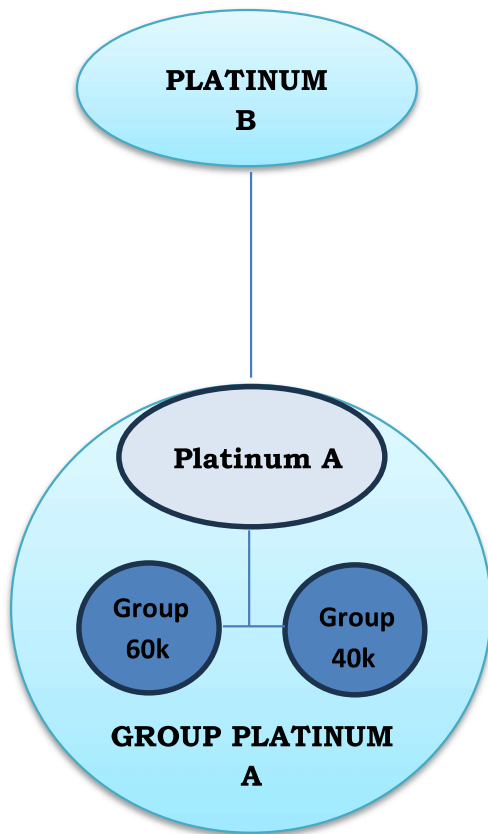

## 3. Extra bonus

Platinum	Total group profit collected monthly 100.000 usdt	5% from fuelcharge
Diamond	Total group profit collected monthly 300.000 usdt	5% from fuelcharge
crown	Total group profit collected monthly 500.000 usdt	5% from fuelcharge

- So we need to show how much total group profit on bitwewe at our Valkyrie bot

## EXTRA BONUS

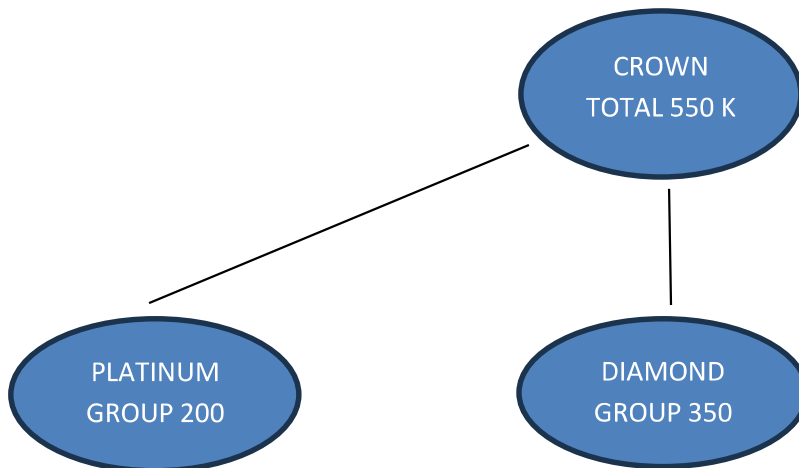

Platinum B Didn't get Extra Bonus from Platinum A Group because have same rank. But can have Extra Bonus if group x have total profit 100K.

Platinum A have total group profit 100K USDT at BITWEWE then Platinum A will get Extra Bonus 5% from Fuel Charge.

$100.000 \text{ USDT} \times 20\% = 20.000 \text{ Fuel Charge}$

$\text{Extra Bonus} = 20.000 \times 5\% = 1.000 \text{ USDT}$

**\*Extra Bonus Count Monthly**

Platinum have 200.000 group profit at Bitwewe, then fuel charge  $200.000 \times 20\% = 40.000 \text{ USDT}$ . Platinum will get 5% from fuel charge  $5\% \times 40.000 = 2.000 \text{ USDT}$ .

Diamond have 350.000 group profit at Bitwewe, then fuel charge  $350.000 \times 20\% = 70.000 \text{ USDT}$ . Diamond will get 5% from fuel charge  $5\% \times 70.000 = 3.500 \text{ USDT}$ .

Crown have 550.000 group profit at Bitwewe, then fuel charge  $550.000 \times 20\% = 110.000 \text{ USDT}$ . Crown will get 5% from fuel charge  $5\% \times 110.000 = 5.500 \text{ USDT}$ .
